Islamabad, Pakistan.

ABOUT PMIF26

Now in its third edition, PMIF26 is Pakistan's flagship platform for global minerals and mining investment, where government, capital and industry meet to make deals. Building on the 2025 forum's momentum, this year's event gives sponsors unmatched access to decision-makers, premium brand visibility across plenary and technical stages, and curated introductions to qualified buyers and partners. With reforms accelerating and bankable projects advancing across exploration, processing and sustainable operations, PMIF26 is the fastest route to market in Pakistan.

Sponsorship Opportunities

PMIF26 offers Sponsors an unmatched platform to engage with high-level decision-makers, investors, and international mining executives. Sponsorships packages are structured to maximize visibility, access and influence, ensuring you receive tailored exposure before, during, and after the event.
